Ted Tully Traded For Vic Chapman

Edmonton Eskimos and British Columbia Lions speeded things up in the almost-dormant Western Interprovincial Football Union trading market yesterday.

Veteran Eskimo linebacker and co-captain Ted Tully returned to his native Vancouver for end and punting specialist Vic Chapman in the unexpected transaction. Chapman, too, is a native Vancouverite.

Tully, 28, said the trade caught him "off guard." Chapman, 26, played with the Lions for the last five years and is recognized as one of the better kickers in the game.

Tully has been a WIFU all-star at his position for the last four seasons.

World Hockey Under Way

McFarlands Crush Poles

BRATISLAVA, Czechoslovakia (CP) — Canada's Belleville McFarlands used Poland as a doormat to enter the 1959 world hockey championships Thursday, crushing the willing but inexperienced Poles 9-0 in the first game in defence of her title.

Gord (Red) Berenson, 20-year-old centre added to the Belleville team just three days before it left Canada, scored three goals to lead the way.

Left winger Dennis Boucher scored two others and added an assist as Canada poured in four goals in the first period, three in the second and two in the third.

JONES HURT

Playing coach Ike Hildebrand, who scored one goal, had to reshuffle his lines when left winger Dave Jones collided with a Polish defenceman and fell into the boards, breaking his right wrist.

Results of the five other opening games went as expected.

Playing before Canada and Poland took the ice here in Group A, Czechoslovakia overpowered Switzerland 9-0.

At Brno, where Group B is playing its preliminary series, Russia easily overcame an inexperienced East German club 6-1. The United States then defeated Norway 10-3.

In Group C play at Ostrava, Sweden outclassed Italy 11-0 and Finland defeated West Germany 5-3.

The other Canadian goals were scored by George Gosselin, who scored seven goals in seven games for the Whitby, Ont., club that won the title for Canada last year at Oslo; former National Hockey League defenceman Al Dewsbury, and Johnny McLellan, a veteran of professional play in the American Hockey League.

Gordie Bell, 33-year-old veteran in his third season with the Belleville club, had to turn aside only 12 shots for his shutout. Wladislaw Pabisz, on the other hand, handled 56 shots in the Polish nets.

The game was cleanly played, with Canada drawing two of the four penalties.

Canada plays Switzerland today.
